SELECTRIC RANGE

The Selectric utilises European design and technology and is constructed with a sturdy steel frame, being powered by motor drives. Maximum height is achieved via telescopic legs. The Electric operation allows the user to easily adjust the worktop height to their individual preference. The optional master controller also allows the user to set the minimum and maximum heights as well making it perfect for the home or corporate office alike. The 750mm deep feet give the selectric a stability superior to its competitors.

MINI - 101 (Project Work only)

The T101 is an exciting new Single column frame option for a small top in a small rectangular, corner 90 degree, and 120 degree top (see below). It has stabilising feet and a single column with an actuator/ 2 stage leg and standard single control unit. It is the perfect application for office, student quarters, lecture halls and a myriad of other potential placements.

BENCH - B204 (Project Work only)

The B204 is another new specialty frame for 2016 and is a 4 leg bench/table sit/ stand frame to suit the specific size of an 1800 x 800 rectangular top. It comes with 2 Electric motors and 4x2 stage legs to give a height range of 685-1185mm high including a 25mm top. It is designed to be used as a multi-media table or bench for meeting rooms, laboratories, break out areas and general office spaces.

METAL STORAGE

DDK Lunar metal storage options offer quick and easy storage solutions. Use our versatile mobile pedestal or tambour door cupboards to help keep supplies neat and accessible. Matching planter boxes are available to sit on the tambour door unit, bring the workplace to life with plants integrated into your office space. Whatever your choice is, you've come to the right place for storage cabinets.

LUNAR METAL MOBILE PEDESTALS

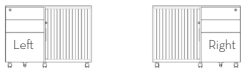

A comprehensive, sturdy metal mobile pedestal featuring a fine edge detail to the perimeter. The compact & low profile height allows the mobile to fit under most desks, provides additional drawers and filing options for the smallest of spaces. This Lockable 2 Drawers + 1 File Drawer features a pencil tray & adjustable divider in top drawer, A4 & foolscap filing capacity to the bottom file drawer with jockey wheel castor. Master-Key locking with a choice of finishes in white or silver pearl, there's no doubt this dependable pedestal will give your personal items & documents an effective space.

CODE //	DIMENSION //
IMLUMP3L	390W x 500D x 595H

LUNAR METAL MOBILE CADDY

Offers versatile solutions that will benefit the smallest of spaces. Featuring heavy duty steel construction and slim profile detailing these sturdy units are mounted on castors allowing for easy manoeuvrability. The Master-Key locking system caddy provides additional 2 Drawers + 1 File Drawer features a pencil tray & adjustable divider in top drawer, A4 & foolscap filing capacity to the bottom file drawer with jockey wheel castor. Lunar metal mobile caddy is safe, stylish and dependable.

CODE //	DIMENSION //
IMMECAMP	900W x 500D x 630H

LUNAR METAL TAMBOUR DOOR CABINET

The Lunar tambour door cabinet offers practical storage solutions for all office filing and storage needs. The cabinet features heavy duty steel construction, making it a robust storage solution. The doors are fully lockable ensuring total security with smoothly receding doors that leave office walkways unobstructed. Planter boxes are easily integrated to the top of the tambour door unit.

CODE //	DIMENSION //
IMLUTC3TWT	900W x 450D x 1095H

LUNAR METAL PLANTER BOX

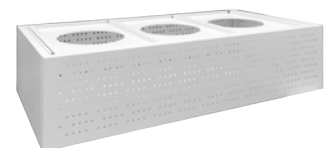

The Lunar Planter Box is a popular way of introducing plants without using valuable floor space. It features heavy duty steel construction, and can be easily integrated to the top of the Lunar Tambour door unit or Boxer storage solutions. Apart from the aesthetic value, it is also extremely efficient in reducing the level of noise in an open-plan contemporary workplace. We also provide artificial plants.

SEATING FUNCTION

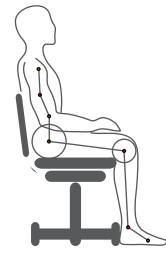

FORWARD POSITION

The forward sitting position, should be used sparingly to avoid shoulder, neck & leg strain.

STRAIGHT POSITION

In general, this is a statically balanced sitting position. The curve of the spine from lumbar to neck is relatively small, and the muscles can relax.

REAR POSITION

The most relaxed position, allow open hip angle to reduce stress on the spine & neck

TILTING, TILT TENSION & KNEE-TILT LOCKOUT FUNCTIONS

Allows user to freely rock forward and backward or lock chair into a comfortable position.

Tilt Tension Knob

Degree of tilt tension can be increase or decrease.

Knee-Tilt Lockout

Allows chair to free-float & locks chair in desired position.

Tilt Function

Allows chair to tilt forward or rearward & be locked into position.

Seat Height

Seat height can be increased or decreased with pneumatic adjustment lever.

Seat Depth

Seat can be moved in & out to allow additional seat depth.

360° Swivel

With our 5 Star Gas-Lift seat base, the chair can rotate 360° without obstruction.

HEIGHT ADJUSTABLE ARMS

Allows easy arm height and width adjustments while seated.

Arm Height Adjust

Pull up to raise arms or push down to lower arms.

Arm Width Adjust

Allow extra seat width, Pull or push arms in or out.

Arm Swivel

To swivel arm pad inward & outward

BACK HEIGHT & BACK ANGLE FUNCTION

Allow user to adjust height and angle of backrest while seated.

Back Height

Adjust up & down and locks in various positions.

Back Angle

Adjust backrest angle to desired position, back angle adjusts forward & rearward.

Adjustable Lumbar Support

Allows user to adjust lumbar pad support to desired position.

Lumbar Support

Providing relief and balance for the spinal column and relaxation of back muscles

Our commercial range comes in a variety of colours, thicknesses and sheet sizes specifically designed for commercial application. Our range of colours are available in MELAMINE making it easy for you to choose the design features you are looking for.

The commercial range will inspire unlimited design possibilities for any commercial environment and give your design concept a fresh and unique look.

Our commercial range is committed to an eco-friendly and sustainable environment. It is an intrinsic part of the way we do business daily.

Our decisions are made so that they have minimum negative impact on the environment. Our product is manufactured from managed and renewable plantation pine and is Australian Forestry Standard chain of custody certified. All products are manufactured from E0 or E1.
